SINGING DANCING AND ACTING

We're bursting with pride for our awesome campers! These superstars have brought musical numbers to life to nailing those dance moves and stage directions, they have worked together to create a fantastic performance for their family, friends and community!

BEHIND THE SCENES

"Having campers and CIT's as a part of the theatrical set design has been a wonderful addition to the camp experience these past few summers. In the world of theater, every screw, paint stroke and hammer swing does not just build a set- it builds imagination, teamwork, construction and design skills, and most importantly the input into the storytelling brought to life for the audience members!"

~ Mike Martone Jr., Set Designer & Co-Founder

Our talented campers and CIT's on the stage/technical crew used their magic to make the story come to life!

TECH THURSDAYS

“On Thursday’s campers and CIT’s enjoyed “Tech Thursday” presentations! I loved being able to take some time to highlight the backstage and technical elements of theater! Students were introduced to all the different departments that go into making a show happen like lights, sound, costumes, set and more. We discussed how each different department contributes to pulling off a full theatrical performance.”

- Adam Jackson, Technical Director

CAMPER TALENT SHOW

“BUT LIKE STARS, WE’LL SHINE BRIGHTLY WHEREVER WE ARE

IF WE STICK TO THE DREAM...”

**Our amazing campers dazzled their friends and
counselors with their unique talents!**
